

## RC paraglider event MVC Columbia Boxmeer (Netherlands).

On Saturday and Sunday, September the 24th and 25th MVC Columbia is hosting an RC Paraglider event at our model airfield in Boxmeer.

This weekend is intended for anyone who is already flying with RC paragliders and for those who want to learn everything about it.

This meeting is intent for any brand or make, whether you are flying with homemade wings, bought ones or RC paragliders from prehistoric times.

Everyone is welcome, having fun is our motto.

The only limits are respecting our house rules, an maximum flight weight of 25 kg and a maximum noise level of 80 dB (A) measured on 7 mtr.

Enjoying flying together, talk about RC Paragliding etc.

Everybody who needs support or has questions about RC paragliding is welcome.

We have a limited 240V power source available (only during daytime).

As off this year we have also a solar powered charging station.

To use this system you will need a power cable that has this kind of XT 60 male connectors:

### Program:

#### Friday 23-09-2022:

Our club site opens from 13.00 hour.

Flying is possible until dawn.

Dinner for this evening will be arranged together (within 1 km is a traditional Dutch fast food restaurant).

#### Saturday 24-09-2022:

If there are enough subscriptions we can arrange an breakfast buffet on site starting at 8.30 hour.

The day starts with a welcome and briefing at 10.00 hour.

After that flying for the whole day.

Helping each other and people who need information about RC paragliding.

During the day there is coffee, cake, (alcohol free) drinks and hamburgers from the grill.

Dinner is starting at 18.00 hours.

After dinner we go back for some night flying.

#### Sunday 25-09-2022:

The day starts with an breakfast buffet on our site at 8.30 hour.

At 10.00 hour there is a briefing.

After that flying for the whole day.

Helping each other and people who need information about RC paragliding.

During the day there is Coffee, cake, (alcohol free) drinks and hamburgers from the grill.

The event officially closing at 14.00 hours.

For those who want to fly even more, it is possible until dawn.

After 14.00 hours our site is open for "normal" model airplanes also.

### Safety:

Our club has a maximum flight sector must not be exceeded. During the briefing there is some

explanation about it.

Participants must have a liability insurance that also covers model flying.

Instructions given by the flight controller should be followed punctually.

Everyone is expected to fly in a safe behaviour.

Not complying with our house rules may lead to exclusion from further participation of the event.

### Registration:

It would be nice when participants are signing up ahead, so that we can buy well enough coffee, cake and so on.

### Breakfast and dinner:

If there are enough participants there will be an breakfast buffet at Saturday morning at 8.30 hours.

Saturday evening will have an dinner buffet starting at 18.00 hours.

Sunday morning at 8.30 hours there will be a breakfast buffet also.

Breakfast is costing € .50 per breakfast/person.

Dinner is costing € 17.00 /person.

For those who want to participate in the breakfast and dinner buffets, an registration and payment in advance is necessary.

You can register by sending an email to [p.versleijen@rc-ppg.com](mailto:p.versleijen@rc-ppg.com) with an indication for which part, (breakfast and/or dinner) you want to take part of.

Your registration will be accepted after a conformation from our side which will include details for payment.

### Travel directions:

**Attention, there are some changes in the route to our field.**

**Caravans and mobile homes must take a different route!!!**

For normal cars:

Driving on the highway A73 take the exit Boxmeer and turn into the direction Boxmeer.

Almost immediately after the flyover (about 60 meters behind it) turn left with a 180 ° turn and go back under the flyover on the secondary road.

Ignore the signs with "only for local traffic" (Bestemmingsverkeer).

After the second traffic light, turn right on the "Waterleidingstraat".

From the exit of the highway to our airstrip the route is signposted with orange indicators.

**GPS coordinates N 51° 38'46 " E 5° 54'16"**

**Decimal: 51.642768, 5.899880**

#### Caravans and mobile homes:

Coming from the A73, follow the N272 in the direction to St Anthonis.

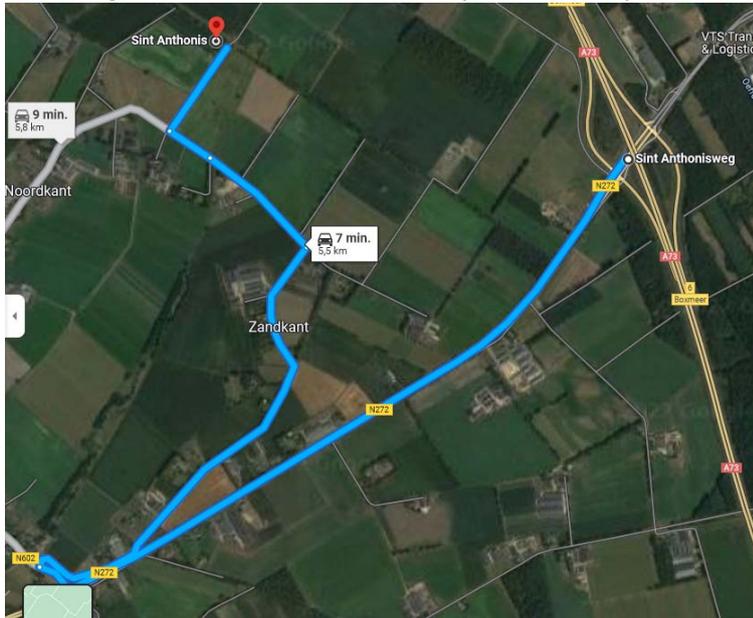

At the roundabout take the first exit to the right.

Then again take the first road to the right (along the bus station).

Follow this road until it's end (T-junction) and go left.

Again follow this road until you see campsite "de Esrand" on the left side.

Take a right turn there and follow the paved and unpaved road until you reach or field.

### Cancelations:

Because an event like this is very depending on the weather we reserve the right to cancel this event in the case of a bad weather forecast.

The judgement for this decision will be made on Wednesday 21-09-2022.

Participants who have registered will get a personal message in case of the cancelation.

In case of a cancelation we will adjust our information on our website and other fora.

### Overnight stays:

#### Camping:

From Friday afternoon (only after 13.00 hours) our site is open for campers.

Do not attempt to park or camp overnight near our field, unpaved road etc..

It surely will end with a nightly visit from our local police officer.

We have a limited number of places (max 15) available.

Motorhomes have some priority, only for the reason that they mostly don't have any other transportation then by foot to come to our field from the nearby campsite.

Within 500 meters there is a small campsite equipped with good comfort (showers, toilets).

Information:
